RAPS/PCC meetings

Talking of which, as of mid February PCC Planning and RAPS Committee will resume regular meetings about the Country Park and any adjacent developments, such as Tipner West. Frequent changes of personnel in PCC Planning last year meant that we achieved precious little from meeting to meeting but Megan Carter, who manages the Tipner West development, has taken over as our main contact and has been reliably responsive thus far.

Motorway Noise Barrier

Highways England has kept us well-informed and work should have started today, continuing until May or June. The RAPS Committee does not anticipate any issues with this but we are here to respond to any momentary concerns that might arise.

RAPS Socials

The quiz nights continue to draw in six or more teams a month. The next three are on February 6th, March 5th and April 2nd.

The Committee is planning a summer boat trip on The Solent to watch the Cowes Week fireworks. That will take place on Friday August 14th, so do please pencil that in. Details about tickets and travel that will be firmed up shortly.

Community Initiatives

Tony Hewitt is organising a beach clean to take place in February and a 5km charity dog walk/run on March 29th in aid of the PDSA. Details of both will be posted when ready.

RAPS AGM

The 2020 AGM will be held on Sunday April 26th, 11-12.30 at the Port House. The Agenda and invitation (to all Port Solent residents) will be distributed in a Newsletter by mid March. Please contact the Chair, Chris Clark, if you are interested in serving on the Committee.

RAPS Website

The deal with the host company Zoho no longer serves us well and so <portsolentresidents.zohosites.eu> will be replaced as soon as we can construct an improved alternative. Until then we will continue to post information there and you can also find us on Facebook (RAPS @portsolentresidents) and on Twitter (@portsolentres).

Best wishes, on behalf of the RAPS Committee

Chris Clark
